

LOVE LETTERS

Dear Parents,

In March, your son or daughter will be attending their Confirmation retreat. One of the most special and significant moments of the retreat is when our teens read love letters from their parents. Please participate by writing a love letter to your son or daughter and invite others who are close to your child (siblings, relatives, friends, sponsors, Godparents) to write love letters as well. These letters are meant to be positive and show them the love and support they have from home.

Suggested considerations to include:

- What makes you proud of your son or daughter
- Your hopes and dreams for them
- The beautiful person they are becoming
- What gifts/talents you see in them
- About the strong relationship you have with them
- How happy you are that they are becoming confirmed

Please keep these letters a secret! Place all letters in ONE sealed envelope labeled with the candidate's name and "**Love Letter.**" They can be given to me or dropped off at the parish office. **Submit all letters at the February class sessions.**

Thank you,

Maureen LeGros
